

Good scientific practice

You can find the most important rules and guidelines for safeguarding research integrity and good scientific practice here:

[DFG Guidelines for Safeguarding Good Research Practice - Code of Conduct](#) in English; [DFG Leitlinien zur Sicherung guter wissenschaftlicher Praxis - Kodex](#) in German

[Satzung der Kommission zur Sicherung guter wissenschaftlicher Praxis der Universität zu Köln](#) in German ([Statutes of the Commission for safeguarding good scientific practice at the University of Cologne](#) - GSGS version for internal use only; no official English version is available yet, as per 29/04/2021)

[Guideline on the Handling of Research Data at the University of Cologne](#) in English; [Leitlinie zum Umgang mit Forschungsdaten an der Universität zu Köln](#) in German

[University of Cologne - Research Code of Conduct](#) in English; [Universität zu Köln - Research Code of Conduct](#) in German

These are some useful links to articles and documents regarding a good scientific practice. Maybe you can find something helpful.

[Data Sets Are Foundational to Research. Why Don't We Cite Them?](#)
