

Good scientific practice

You can find the most important rules and guidelines for safeguarding research integrity and good scientific practice here:

From the German Research Foundation / Deutsche Forschungsgemeinschaft (DFG)

[DFG Guidelines for Safeguarding Good Research Practice - Code of Conduct](#) in English; [DFG Leitlinien zur Sicherung guter wissenschaftlicher Praxis - Kodex](#) in German

The portal <https://wissenschaftliche-integritaet.de/en/> is a dynamic and growing resource of information related to research integrity in English, available since July 2021. Its main feature is a practically oriented, subject-specific commentary on the Code; the DFG secures quality assurance of all content.
