

Doctoral Candidate Members

Our current doctoral candidate members are listed below (as per 14/12/2023).

For an overview of most doctoral candidates per institute or working group, please check their respective internet pages. You can start your search from <https://geosciences.uni-koeln.de/en/>.

We plan to update the list on a montly basis. Unfortunately, we do not have the resources to keep a list with everyone's picture up to date. Therefore, it would be nice if we could include a link to everyone's personal academic webpage (Institute / LinkedIn / ResearchGate / etc.). If you want your page linked, please send the URL to our student assistant Eileen Becker via gsgs-admin@uni-koeln.de.

Is any information about you incorrect or missing? Please send an email with the correct information to the same address.
